

HEAR NAZI COMMANDER LINCOLN ROCKWELL

Rip Roaring Speech on Tape at Last

For two years, through fights and bloody riots, jails and insane asylums, Lincoln Rockwell has battled and beaten his way to international leadership of the forces of the vanishing White Man!

In spite of the torrents of lies on the Jewish dominated TV that he is trying to "exterminate" the Jews, his honorable record of twenty years as a pilot and commander in the U. S. Navy, his utter dedication to the Christian American REPUBLIC and the CONSTITUTION, and his personal sacrifices to save the WHITE RACE have made it impossible for the enemies of America to get him listed as a "subversive" or convict him of a serious "crime".

The American Nazi Party is convinced it can win political power because the people will elect uncompromising and just WHITE MEN, when it has had enough racial, economic and social chaos, --and when the American people are allowed to hear BOTH sides and make a free choice. Only those who are trying to peddle an inferior product fear competition. When the "liberals" and advocates of "free-speech" deny us any opportunity to speak and even organize mobs and riots to shut us up, when they send the Commander to the insane asylum, when they claim that our arguments are "beneath a reply", it is because they are AFRAID, --afraid that you will discover the shabbiness of their lies and slogans and the honesty and sense of our facts and arguments. All our Storm Troops and tactics are designed ONLY to PROTECT our rights to a FAIR HEARING, and to smash the unAmerican "paper" curtain" of press censorship.

Our dramatic tactics have been calculated only to gain us a fair hearing. -- Our success may be judged by the fact that without any funds, faced by the most powerful forces on earth, and misunderstood and hated by our brain-washed neighbors, we have managed to win millions of people from Alaska to Africa and from Iceland to Australia.
